UNION CARBIDE CORPORATION

PAGE _____ OF _____

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination, it is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Subject to Section 7 of Conditions of applicable bill of lading, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement:

The carrier shall not make delivery of this shipment without payment of freight and all other lawful charges.

(1) If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is the carrier's or shipper's weight.
(2) The description and weight indicated on this bill of lading are correct subject to verification by the Weighing and Inspection Bureau according to agreement.
(3) NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property.
The released value of the property is hereby stated by the shipper to be not exceeding \$1.70 per pound for each distribution package or any higher value permitted by RRD MC-972 or .50 per lb. per article, whichever value results in the lowest transportation charges on the date of shipment.
